

JOURNEY TO CHAOS

RAW iGaming is proud to introduce our new, patent pending, mechanic, SuperSlice™. An innovative new mechanic that is easy to understand, delivers an exciting player experience with dynamic gameplay and provides the chance for massive wins on every spin.

Find Chaos, Find Treasure - Your Journey to Chaos™ begins with Thoth and with his reward, your travel begins. Receive a symbol from each god, Horus, Osiris and Geb, and multiply your winnings with each god multiplier (2-4x), with the goal of reaching the father god, Ra. Ra offers a chance to find your way to free spins and ultimately the God of Chaos, Naunet, the mother of all gods where Chaos Spins can assure you real treasure, up to 15,000x your bet.

The game uses our patent pending SuperSlice™ wheel, offering 2-12 dynamic slices on every spin. It couldn't be easier, spin the wheel, see the number of symbol slices added and watch if you are rewarded by the gods. More slices mean a higher chance for wins while lower number of slices mean larger prizes however avoid angering the gods with empty slices!

SUPER SLICE™

The patent pending SuperSlice™ engine delivers dynamic slices to any wheel design, between 2 to 12, so players never know how many slices or what those slices will hold. Each god win magically transitions you to the next god wheel, where each win is multiplied. Make it to the Ra wheel and find your chance for Egyptian treasure. The action never stops and is different on every spin keeping things fresh and unique and the adrenaline pumping.

GAME FEATURES

FREE SPINS

Ra can reward 8 or 12 free spins. If the player is blessed by RA, then they are transported into the pyramid temple where all multipliers are doubled. Thoth now pays 2x, Horus 4x, Osiris 6x and Geb 8x. The Ra wheel now offers up to 4x your total winnings for that round and a new symbol, Naunet, is added to the wheel which can award the player Chaos Spins with unlimited multiplier collection spins. Free Spins is retriggerable.

CHAOS SPINS

If you please the gods, Ra might reward you with Chaos Spins. Very few get to see Naunet and her Chaos Spins but those who do are likely to see that her treasure knows no bounds. Naunet's Chaos Spins gives you unlimited spins with the chance of collecting your own gods, each with its own multiplier. With each spin she fills her wheel of gods including the chance of multiplying your entire multiplier winnings by 2x or 3x. Only when the gods have tired will you "collect" your treasure and return to Free Spins for another chance of visiting Chaos Spins.
