MIGHTY BUFFALO

SUPER SYMBOLS™

Journey to the North American Great Plains - the home of the Mighty Buffalo and other magnificent beasts - for this uniquely innovative and feature-packed videoslot that delivers stampedingly good wins of up to 10,000x.

Experience a game like no other with our proprietary SuperSymbols™ mechanic, cascades, reels that can expand up to 20 rows high, respins, progressive multipliers, and free spins with symbol multipliers and an expanded panel.

Super Symbols:

SuperSymbols™ form when a group of at least 2x2 of the same symbol lands on the reels. The SuperSymbols™ will expand if more of the same symbol land adjacent to them, or if they combine with other SuperSymbols™ of the same type. The size of the SuperSymbol™ directly relates to the size of the payout, making it very easy to see how good the winnings are going to be. After the expansion takes place, losing symbols are removed and replaced from above with a cascade, potentially generating even bigger symbols, and sequences of exciting expansions and amazing payouts.

SUPER SYMBOLS™

Reel Expansion:

The game is played on an initial 5-row, 5-reel panel but can expand to up to an incredible 20-rows if SuperSymbols™ expansions force the reels to upwards.

Progressive Multipliers:

SuperSymbol™ expansions can force the reels to expand, and to trigger progressive multipliers (up to 50x in free spins).

Mighty Buffalo Free Spins:

Free spins are awarded when bonus symbols cluster together. Free spins is played on an expanded 6-reel panel, and includes random symbol multipliers of up to 5x. Even better, if SuperSymbols™ with multipliers combine, their multipliers are added.

Mystery Symbols:

These can reveal symbols which can lead to further SuperSymbol™ creation or expansion, and thus bigger wins.

Mighty Buffalo Respins:

This causes a stampede of buffalos that will trigger a respin and which can also add multipliers of up to 5x to previously winning symbols.
