

POPEYE[®] & OLIVE OYL[®]

POPEYE AND OLIVE OYL

Popeye is desperate to impress his beloved Olive Oyl, and he needs your help to do it in this classic comic book-inspired videoslot.

Guide everyone's favourite, spinach - swallowing, pipe - smoking seafarer as he encounters wave after wave of walking wilds and other fantastic features. Revel in the moment as Popeye uses his spinach - induced strength to stretch the reels to boost the number of paying ways, on his journey to the bonus feature in which he dearly hopes to impress Olive Oyl with mega wins of close to 10,000x.

This game is a 5 - reel, 3 - column, all ways videoslot, with expanding reels, walking wilds and free spins with full - height walking wild.

POPEYE WALKING WILDS REEL STRETCH

If any can of spinach scatters land during a walking wild sequence, then Popeye leaps forth from his symbol to grab, to devour the nutritious snacks, then uses his epic strength to punch upwards to expand the reels up to 8 symbols high, and creating more ways and greater potential wins.

FREE SPINS

Land 3 scatter to win 10 free spins in which Olive Oyl stands next to the reels collecting hearts. The more hearts that get collected, the more features that trigger with golden Swee' Pea and Jeep symbols acting as walking wilds, and Popeye appearing as a full height walking wild. Even better, the free spins feature is played with any previously stretched reels, delivering epic winning potential of up to 9,000x.

POPEYE WALKING WILDS

Whenever Popeye appears on the reels he acts as a walking wild, triggering a sequence of re-spin. And if more Popeye symbols appear when the feature is active, the re-spins keep on coming.
