BIG MONEY BASS™

Get ready to reel in some big wins of up to 5,000x in Big Money Bass™, the videslot game that will have you reeling in big wins! With 5 reels, 4 rows, and ways-paying, you'll be casting your net far and wide for your chance to catch the big one.

The core "hold and respin" feature, with five exciting power ups, will have you on the edge of your seat as you try to hook those elusive fish with multipliers.

HOLD & RESPINS

Land fish symbol wins to trigger the Hold & Respin feature with each fish having a multiplier of up to 4x. At the end of the feature, the player wins their bet, times the boat multiplier, times the total of all fish multipliers, to hook in some off the scales big wins.

There are also 5 power ups:

CATCH A FISH

The fisherman drops his line to catch a random fish, collecting its multipliers to his boat, and adding an extra respin.

BERSERKER FISH

When a fish breaks from the fisherman's line it swims away to gobble up several other fish, collecting their multipliers and freeing up symbol positions for more fish. It also adds an extra respin.

REBAIT

The fisherman adds a new worm to his line to reset the respin meter.

DYNAMITE FISHING

The fisherman drops a stick of explosives to collect multipliers to his boat from the fish it clears from the panel. It also adds an extra respin.

POWER UP FISH

If the power up fish lands during the Hold & Respins feature, it resets the respin meter and increases it by +1.

CLUSTERSPIN®

Increase your wins with Clusterspin®.
Will you have a winning or losing round?
Make extra either way. Play the Clusterspin® game and win extra, up to 1000x
times your bet on top of your normal gameplay.
