

**ROGUE**

 **WILDFIRE
REELS®**

KEY GAME INFO

It's time to get the big guns out with cascading wins now added to the trigger happy Wildfire Reels® mechanic. Wild arrows expand the reels and blaze a trail of wild multipliers before all winning symbols explode and start a cascade.

This wild ride has four modifiers and a free spins bonus with expanding reels and increasing multipliers on every spin.

GAME FEATURES

WILDFIRE REELS®

A random 5x3 active area is selected from the 9x5 reels on each spin. Wins explode and cascade.

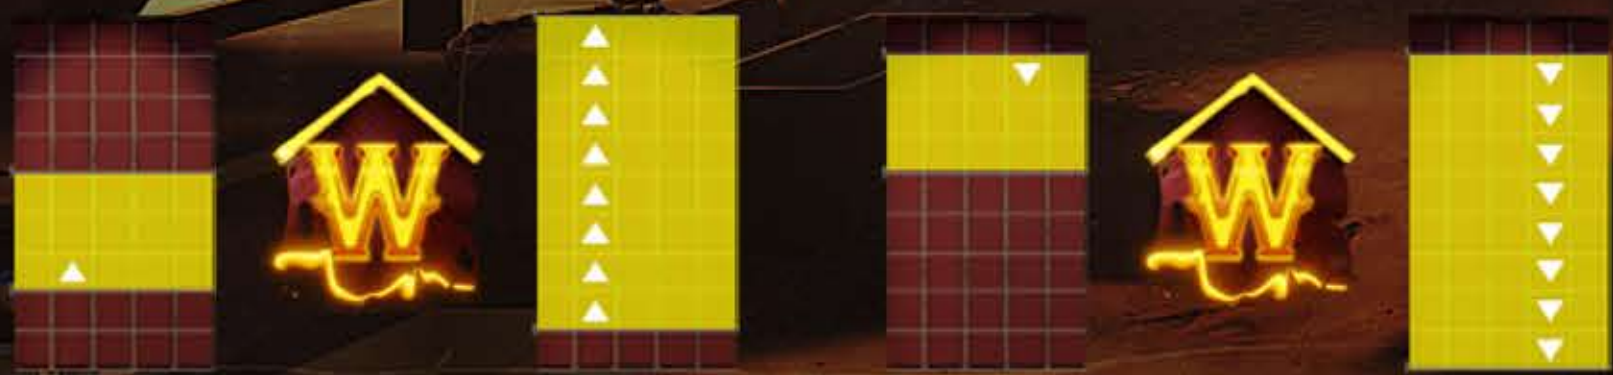

A random 5x3 area is selected on each spin.

GAME FEATURES

WILD ARROWS

Get a Wild Arrow in the active area and it will expand the reels, leaving a trail of wilds for a volatile ride.

WILD ARROWS EXPAND THE ACTIVE AREA AND LEAVE A TRAIL OF WILDS.

GAME FEATURES

MODIFIERS

Any of the four modifiers can be triggered on any spin:

Following a losing spin the reel is nudged to a winning position.

The active area grows up to 9 high with a multiplier of up to 10x.

Following a spin, a wild arrow is added to the reels.

All low paying symbols are removed from the reels on the next spin.

GAME FEATURES

FREE SPINS BONUS

Three or more bonus symbols anywhere in view in the active area trigger the free spins bonus with increasing active area and multiplier on each spin.
