

BIGGER MONEY BASS™

BIGGER MONEY BASS™

Bigger Money Bass the new, improved and even more exciting outing of one of our most popular game themes and introduces our brand-new Bass Cash coin collection mechanic on paid spins.

In its beautiful new inland lake setting, Bigger Money Bass delivers even bigger wins in its core 'hold and re-spin' feature. We also introduce fun new characters including the star of the game, 'Tommy McTackler', his seafaring canine companion, 'Hooky', and lazy 'Dinghy Dan' (who is prone to the occasional electric eel attack).

The hold and respin feature with its four exciting power ups, and the Bass Cash Collector feature, will have you on the edge of your seat as you try to hook those elusive fish multipliers.

BASS CASH COLLECTION

Collect instant cash wins when any golden Cash multiplier symbols and Collect symbols land on the same panel.

Money symbols can appear on reels 1 to 4 and display a multiplier. The collect symbol can appear on reel 5.

If one or more money symbols hit anywhere on the panel, and a collect symbol hits on reel 5, the values of all money symbols currently on the screen are added together, then multiplied by the player's stake, then paid.

HOLD & RESPINS

Land fish symbol wins to trigger the Hold & Respin feature with each fish having a multiplier of up to 6x. At the end of the feature, the player wins their bet times the boat multiplier times the total of all fish multipliers, to hook in some off the scales big wins.

There are also 5 power ups:

FISH BOMBING

Tommy calls in an airstrike to collect multipliers to his boat from the fish it clears from the panel. It also adds an extra respin.

BERSERKER FISH

When a fish breaks from the Tommy's line it swims away to gobble up several other fish, collecting their multipliers and freeing up symbol positions for more fish. It also adds an extra respin.

CATCH A FISH

Tommy the fisherman drops his line to catch a random fish, collecting its multiplier to his boat, and adding an extra respin.

BALLISTIC BASS

An angry bass zips across the screen, steals the worm, forcing a rebait which resets the re-spins counter.

POWER UP FISH

The power-up fish zaps Dinghy Dan, making him lose count and increase the maximum remaining spins by +1.

At the end of the feature, the player wins their bet times the boat multiplier times the total of all fish multipliers, to reel in some off-the-scales big wins.
