

AZTEC SUPERTRACKS®

Step into Aztec Supertracks®, a unique 9x7 videoslot adventure filled with warriors, gods, and epic wins! Featuring a lively, casual games art style and our patented Supertracks® engine, this game is anything but ordinary.

Guide four brave Aztec warriors in their mission to gather god gems - your ticket to cash prizes. The more gems they amass, the bigger your rewards. But watch out for trap tiles that can end a warrior's journey in an instant.

Collect gems and earn a divine respin for another shot at massive wins. Encounter one of the four powerful feature tiles for immediate rewards or gameplay enhancements that boost your winning chances.

To unlock the Paradise free spins bonus, appease the Aztec gods with human heart offerings.

This is more than a slot game; it's a quest into the mystical world of ancient Aztec culture. Your destiny is calling—play now and carve your name into history!

SUPERTRACKS®

Our patented game engine generates random pathway tiles which, when favourably aligned, create paths along which the heroes can travel to collect gems, to trigger features, and to collect offerings for the gods.

If a respin is granted (by collecting a gem or offering) then the tiles are regenerated for the chance to have new pathways and additional wins.

GEM COLLECTION

Collecting god gems is key to achieving cash wins. The gems can appear on any pathway tiles. Their colours correspond to the four gods and they come in five different sizes representing 1, 2, 5, 15 and 50 gems.

Features can also grant additional gems.

THERE ARE FOUR POWERFUL FEATURE TILES WHICH ARE TRIGGERED WHEN A HERO LANDS ON THEM.

CALENDAR STONE

These multiply the current balance of each of all 4 god's currently collected god gems by a random multiplier (or give a small god gem award)

TREASURE CHEST

When a Hero encounters a Treasure Chest on their path, it awards an instant win.

DEITY STONE

These turn an initial losing panel into a panel with between 1 to 4 initial viable paths.

HUMMING BIRD

These modify the initial panel and prevent traps from appearing in the whole game round.

TRAP TILES

There are six different trap tiles. When a hero lands on them their journey is brought to an end and they meet an unpleasant demise.

PARADISE FREE SPINS

Collecting human heart offerings appeases the gods. After all four gods have been appeased, they will transcend one of the heroes to play the Paradise free spins feature.

Free spins are played with an initial 10 free spins which can increase by 2 extra spins each time a crystal skull is collected. The wins from collected gems are boosted by the god multiplier which also increments by +1 with every crystal skull that is collected, making their collection the key to obtaining big wins.

Treasure chest and deity stones function as before, but the humming bird feature now adds additional gems to the paths.

There are no traps in free spins.
