## TWISTED TOY TALES™

In the shadows of Minnesota lies Whispering Pines Plaza, an eerily silent, once-bustling shopping mall with a mysterious past. A decade earlier, a terrible calamity within its cavernous walls caused its sudden closure, but the official reasons remained veiled in secrecy.

A group of industrious teenagers, famous for debunking myths and conspiracy theories, infiltrate the forsaken mall. But what they encounter is Juggy—a sinister AI toy gone rogue and hellbent on preventing them from revealing his existence. As they're relentlessly hunted, they grapple with a chilling truth about unchecked technological development. This is a survival tale in which the four teenage heroes are forced to confront mankind's own technological creations.

Twisted Toy Tales™ weaves a techno-horror narrative, blending vibes from iconic tales such as *Stranger Things* and *Insidious* and a suite of compelling videoslot features to create a unique casino gaming experience.

## RAW VIBE™

Juggy is a talker. At best, he'll try to put you off your game. At worst ... well, that would be best left unsaid. The trouble is that Juggy likes to talk. Boy does he like to talk! And with the RAW Virtual Interactive Behaviour Engine, he'll be able to say just about anything that's on his (violent deranged) mind.

## RAW VIBE

## TEEN HERO RESPINS

When you keep winning, the game keeps re-spinning! Any winning spin triggers a free re-spin in which all symbols, winning and losing, are removed and replaced by a fresh panel.

## SUPERSTRETCH™

Heroes expand the reels to help you out, because that's what heroes do. The game is played on an initial 4-row, 5-reel panel but expands upward whenever a high-paying symbol (Hero character) win occurs. Each reel expands by 1 row for every winning hero symbol it contains (max 10 rows).

## DYNAMICWAYS™

Juggy is not your friend. And he has a sharp knife. Whenever the Juggy Blocker symbol lands, he violently expands downwards to the bottom of the row to restrict the number of paying ways. But what did you expect when you entered a sinister psychopath's lair?

## TEEN HERO WILDS

Every good story needs a hero, and lucky for you, this game has four of them! When a Teen Hero Wild symbol lands, it deactivates the Juggy Blocker in that reel for that spin and any subsequent re-spins. Oh, and it substitutes for any symbol to make wins, of course. Being a wild, and all.

## TEEN HERO FREE SPINS

The bonus feature is where you can really win big with the Teen Hero Wilds turning into sticky wilds and also gathering multipliers from win to win, spin to spin. Collect all five Equipment Scatters to properly equip the Heroes for that final Boss Battle. We did mention that Juggy has a big sharp blade though, right?
