SuperSymbols™ - Matching symbols landing adjacent to each other in groups of at least 2x2 symbols will merge to form larger paying shapes ("**SuperSymbols**").

Reel Splits - when the sweet icons above and below the reels align, a new reel is inserted increasing the win potential.

Free Spins with Reel Clones - the bonus feature is triggered when 3 or more bonus symbols are collected in a base game sequence. The Reel Splits feature can also now be enhanced to clone adjacent reels, making for even greater win potential.

Bonus Rush® - Why wait for the bonus round, rush straight into the action with Bonus Rush®. It's simple, choose your bonus, set your desired bet and start the action. Once started the bonus game plays out directly.
