Travel back in time to the heart of the ancient Aztec civilisation with 'Aztec Ascension', another epic gaming experience from RAW iGaming. This all-ways slot game is not just a journey into history; it's an adventure filled with mystery, innovation, and the promise of untold riches. With the debut of our brand-new mechanic, the Feature Reel Re-spin, and its combination with our popular SuperStretch™ mechanic, 'Aztec Ascension' is set to deliver marvellous mystical moments.

The game is played on an initial 5-reel, 4-row panel with each reel able to stretch up to 10 rows high, offering a dynamic gameplay experience that changes with every spin. At the core of this game are the transformative powers of the marquee golden sun and mystical moon symbols which, when landed, trigger a feature-laden re-spin for magical big wins.
