Game Features

Reversinator™

When a spin has no wins, a random symbol spot is highlighted. When a spin results in wins, all highlighted symbol spots change to the same symbol.

Wild

The wild symbol can substitute for any other symbol, except for the Free Spin or Mystery symbol.

Gamble

The Money Bag symbol awards a 15x win.

Free Spins

Players can win 4-8 Free Spins, which are not reduced by losing rounds. Free Spins begin with 1-5 highlighted symbols, and non-winning spin adds one highlighted symbols and winning spin resets them to its original value.

Mystery Symbol

Appears only in Free Spin, awards a random multiplier symbol that multiplies the bet by 1x to 200x for wins.
