Game Features

Game Feature

In the main game, Energy Capsules offer two features: Expanding Reels add four random symbol positions for six rounds; and the Wild symbol spans an entire reel, moves randomly, and provides a 1x to 3x multiplier for six rounds.

Save State

The game's collectible features are saved separately for each betting level and can be played between game sessions.

Storm Free Spins

In Storm Free Spins, Expanding Reels can grow up to ten symbol positions, and the Wild symbol moves between reels with a 1x to 5x multiplier. Each Energy Capsule adds an extra free spin.

Double-Up

Player chooses the Cloud (2x), the Lightning (8x) or the Sun (2x) symbol and the game draws the winning symbol.
