Game Features

Match 3 Bonus Game

The game activates when three Bonus symbols are collected, launching a Match 3 game with five moves for horizontal or vertical swipes.

In-Game Jackpot

Four fixed-win tiers, where acorns collected in one round determine the payout, with the highest tier awarding a bonus game or a cash win between 20x to 3,000x the bet.

Wild

The Wild symbol substitutes for all others except the acorn, and upon its first appearance, it randomly spreads 1-3 new Wilds on the grid.

Gamble

Awards hide under the leaves.
