

**Enter a gaming experience like never before!**

Symbols cascade onto a dynamic 6x6 grid, where your goal is to form winning clusters. Choose from three unique heroes, each offering distinct advantages: boost your winning potential in bonus games or increase your chances of triggering one of two exciting bonus rounds. Dive into the adventure and maximize your rewards!

## Game Features

### Choose Your Character

Player chooses a character: Ranger, Knight or Mage.

### Cluster Wins

A winning cluster is a group of at least five of the same symbol, either horizontally or vertically.

### Gamble

Player tries to find a card higher than the face up card from the four face down cards.

### Free Spins

The Free Spins won are either Forest Free Spins or Crypt Free Spins decided randomly.

Forest Free Spins: Defeat the forest goblins. Winning the first two goblin raises the multiplier.

Crypt Free Spins: Clear the crypt of the dead. Winning the first two monsters adds the moving Wild.
